## Survey

### Higher Education Course Platform Survey

We want to better understand the preference of students in early childhood, and gather feed back on face-to-face, online, or hybrid course platforms. Take our short survey to let us know how we can better support you.

## Easter Activities

### Come together and share!

Here are some activities to share:

#### Easter Egg Hunt

- Hide eggs around the area and have the kids hunt for them.

#### Egg Decorating

- Prepare some cups with warm water and add a few drops of food coloring or color tablets and let the kids have fun decorating their eggs.

#### Easter Scavenger Hunt

- Since they've already got their detective hat on, keep the search going by scattering a bunch of clues around your house to lead your little bunnies to a special prize.

#### Easter Egg Counting Printable

- A game that kids can play by themselves and use to help them practice their math skills. Using the free printable, cut out each egg and then horizontally cut each egg in half. Hide all the paper slips in different eggs. The player's job? Collect all the eggs and then match the halves with the numbers to the halves that have the correct number of dots on them.
