**PROVIDER'S ASSURANCES/CERTIFICATION**

Public Law 101-508 of the Omnibus Budget Reconciliation Act of 1990, Section 5082, established the Child Care and Development Block Grant (CCDBG) program. Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 amended the requirements of the CCDBG Act effective October 1, 1996. CCDBG is now referred to as the Child Care and Development Funds (CCDF). The purpose of CCDF is to increase the availability, affordability, and quality of child care. To accomplish this purpose, CCDF brings to Guam funds for purchase of child care services to eligible families, enhance the quality and increase the supply of child care for all families, and increase the availability of early childhood development, and school-age programs.

I certify that I, the child care provider, will comply with the requirements of the Department of Public Health and Social Services (DPHSS) with regard to the priority rules for the receipt of CCDF funds by providers. These include but not limited to:

- a) Compliance with all licensing and regulatory requirements applicable under federal and local law.

- e) Providing equal access for CCDF children to comparable child care services that are provided to children whose parents are not eligible to receive assistance under this program or under any other federal or local programs;
- f) Affording parents unlimited access to their children and to the provider caring for their children, during the normal hours of operations or whenever such children are in the care of such provider;
- g) Mandatory attendance in at least fifteen hours of training and technical assistance (workshops, seminars, conference, etc.) annually; and
- h) Acceptance of program reimbursement rates, payment procedures and timelines.

I understand that I am required to comply with above requirements within 30 calendar days, except that I have a year to complete the 15 hours training and technical assistance requirement.
