What's New

Higher Education Course Platform Survey

We want to better understand the preference of students in early childhood, and gather feed back on face-to-face, online, or hybrid course platforms. Take our short survey to let us know how we can better support you.

Click the Link to access the survey:

St. Patrick's Day Activities

Come together and share!

Here are some activities to share:

- **Find the Gold**
 - Hide gold chocolate coins around the area and have the children hunt for them.
- **Get the Rainbow Ready**
 - Get some construction paper and cut it into half oval shapes, then have the children pin the colors together.
- **Make Leprechaun Prints**
 - This takes a bit more effort but is such a cute idea: Draw little leprechaun footprints inside and/or out, using a washable marker on tile floors and chalk on the driveway.
- **Throw a Little St. Patty's Day Party**
 - Set up green balloons and streamers in rainbow order, sprinkle gold coins around, and serve green, gold-dusted, or rainbow colored snacks.
