*Child Care Subsidy (CCDF) covers the monthly tuition rate of after school services for eligible families.*

## Does your child need assistive technology devices?

If your child has a disability **AND** holds a valid Individualized Family Service Plan (IFSP) or an Individualized Education Plan (IEP) **AND** has a need for an assistive technology device for school or at home, then you may qualify for free AT devices.

Contact the **Guam System for Assistive Technology (GSAT)** at (671) 735-2490/1/3 for more information.

## Reminders

Please be advised that it is recommended to submit your CCDF renewal application at least one month prior from expiration to prevent discrepancies in your child care tuition subsidy payment.
