DESCRIPTION

Provide a description of the artwork above, which should be detailed, clearly identifying the major elements of the work. For example, "self-portrait" or "a picture of two people" would be unacceptable, since many artworks would fit those descriptions. The following is an example of a useful description:

Example: "A painting of a child and grandmother in the garden; the child on the left wears a green tshirt and blue shorts; the person on the right wears a polka dot dress. A dog sits at their feet."

Initial here to certify that this entry is original in concept, design, and execution and does not violate U.S. copyright laws. Any entry that has been copied from an existing photo or image (including a painting, graphic, or advertisement) that was created by someone other than the student is a violation of the competition rules and will not be accepted.
